

Service

ROSS
SURVIVAL

“We have a state of the art Service Centre, which is Maritime and Coastguard Agency (MCA) approved. We will undertake your scheduled service, repair and refurbishments to the highest standard.”

SERVICE

Ross Survival Services are an approved Service Centre for a wide variety of manufacturers including:

We provide an after sales service which includes inspection, testing, laundering and certification of multiple products. We provide servicing of a variety of Marine Safety and Working at Height equipment at competitive rates with efficient turnaround times.

Our first class service and state of the art service centre has enabled us to capture customers in the standby vessel, supply vessel and offshore markets.
