---

340098005

---

Performance quality Maintenance (general purpose) absorbent pad from the Lubetech range  
Great strength due to low linting coverstock applied to one side, minimises ripping, tearing and fraying  
Dimpled to ensure product stability even when saturated  
Designed to absorb and retain all industrial liquids, oil, coolant, and solvent based spills  
100% top grade polypropylene construction  
Perforated for economy of use  
Black coverstock hides absorbed fluids, keeping your work environment looking neater  
Combining performance and endurance  
Designed for use with day to day spills in any environment
